Frequencies 22,000 kc and above, use by aircraft stations 3176, 3854
Mobile aeronautical bands:
OR frequency bands, certain, from 3025 kc to 18,030 kc to be available for use only in accordance with Atlantic City table; proposed rule making 7127, 7152
R frequency bands, certain, from 2850 kc to 17,970 kc, effective March 15, 1952, to be assigned only in accordance with Atlantic City table; proposed rule making 7549
Amateur services, authorization of use of frequencies:
In band 235–240 mc, in lieu of 220–225 mc; deletion of provisions authorizing such use (footnote US9) 5397
In band 1800–2000 kc by amateur radio service on shared basis with Loran system of radio-navigation 3749, 10308
In 21,000–21,450 kc band, effective May 1, 1952, by amateur stations, in accordance with Atlantic City table; proposed rule making 2366
Transfer of authorization for use of frequencies in 14,350 to 14,400 kc band to fixed services; proposed 2366
Amendments, miscellaneous 528, 2936, 3749, 4161, 5327
Coast stations operating on frequencies:
4140, 6210, 8280, 12,420, and 16,560 kc, deletion of authority for operation on, effective June 3, 1953; proposed rule making 7351
In bands 14–150, 150–200, and 200–535 kc, modification of licenses of, in accordance with table; proposed 6874
Lists of present and proposed assignments 6874
Coast telegraph station assignments, nongovernment, transfer of, to bands between 4 and 20 mc stipulated in Geneva agreement; proposed rule making 7354
Deletion of existing coast telegraph assignments not in accordance with Geneva agreement, proposed 7355
International frequency list (new); tentative list of assignments for frequencies in, proposed 7355
Temporary authorizations, conditions for issuance of, proposed 7355
Effective dates of Atlantic City table 2766, 3212, 9860
Fixed services:
Applicability of table of frequency allocations below 25 mc to certain fixed services 2766
Domestic fixed public service stations; establishment of new standards with respect to protection for television in assignment of frequencies in 72–76 mc band to, proposed rule making 8218, 9899
Domestic fixed services, discontinuation by, of certain uses of frequencies below 25 mc, for purposes other than safety of life and property 5044, 8666, 10746
Frequencies in bands 21,750 kc and above, proposed authorization of use of, by aeronautical fixed and mobile services and other fixed services, in accordance with Atlantic City radio regulations and table of frequency allocations 3175
